# Friday, April 8 (5:00pm) - Sunday, April 10 (5:00pm)
## Kenyon Hall

ASA DataFest
Vassar

Love working with data? Join us for DataFest. DataFest started in UCLA in 2011, and each spring since then, increasingly more schools across the US have hosted their own DataFest. This is the first year Vassar is hosting a DataFest. Join us for this fun data analysis competition. Prizes for the winners; free food and t-shirts for everyone. Registration is FREE but is limited to the first 30 students. **Register by March 11, 2016** (Friday before Spring Break) to guarantee a t-shirt in your requested size.

To register and
for more information on
the event, including workshops
leading up to the event,
