

Celebrate Black History Month with a Movie Night!

Join us for an evening of
entertainment.

We're hosting a special screening
of "American Fiction" about a
novelist who has become
disillusioned with the
establishment's exploitation of
'Black' entertainment rooted in
overused and offensive
stereotypes.

Come and join us for this special
screening and bring a friend! All are
welcome!

The Race Unity Circle will plan an
in-depth exploration of the movie
and the issues it raises at a future
event. This night is just for fun!
