

# ***Inclusive Leadership and Identity: Self-Examination as a Key to Change***

*Tuesday, January 14, 2020*

*1:00PM - 4:00PM*

*Class of 1951 Reading Room (Library)*

*As leaders, many of us are working to mitigate the impact of structural inequalities on our campus. However, we often miss the roles we, ourselves, play in perpetuating the very systems we are working to challenge. This three-hour workshop will challenge participants to consider how we've been socialized to perpetuate systems of oppression. Through an examination of the unwritten rules and roles associated with privileged identities, we will begin to build a foundation for interrupting oppression and develop a culture of inclusive leadership.*

***Facilitated by Dina Levi, Director of Inclusive Leadership, Amherst College***
