## CATALOGUING WORKSHEET

MATERIALS raw materials only, ex: silk, cotton, glass

DIMENSIONS dimensions specific to garment, as needed

CHEST

WAIST

HIPS

for measurements to the right:  
 chest, waist, hips = all around the fullest part  
 CF/CB length = from neckline to hem

CFLENGTH

CBLENGTH

- A each separate piece
- B (usually from top down
- C or from outside in)
- D
- E

DESCRIPTION.MAIN

follow guidelines from Jessa Krick:

1. Description of materials
2. Overall silhouette or style (this may be set apart if there is an overall silhouette for an ensemble or it may be the first term of the description of a one-piece garment)
3. Description of structural details of garment (length, bodice, sleeves, neckline/collar, skirt, outstanding details)

semi-colons separate different elements of description  
 commas separate details of each element

BRIEF. DESCRIPTION one brief sentence to summarize from Description.Main
